Please confirm that these topics will be included in the Agenda and let me know what other topics EPA would like us to address.

As of now:

Julie Santiago
Lynn Keller
Caleb Shaffer
John Lyons
Enrique Manzanilla
Larry Bradfish
Lewis Maldonado

The list may change tomorrow after the internal briefing.

BTW, I asked for a list of all the work and documents scheduled for revision for the next two years. I was out of the office for three days, and I don't see it in my inbox. Can you send it to me by COB today.

Julie

Hi Julie – Can you please send a list of participants from EPA and country of citizenship? I need to coordinate vehicle, conference room, and site access. Will anyone need a camera pass?

Thanks, Chris
